

PRESS RELEASE

ADVANCED COATINGS ENGINEERING LLC APPOINTS MINTZ LEVIN AS LEGAL COUNSEL

NEWARK, DE., February 15th, 2018

Advance Coatings Engineering L.L.C. (ACE), the source of ACE security laminates[®], today announced its appointment of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C as legal counsel.

Applied to regular building and vehicle glass, ACE security laminates render treated windows smash-resistant, bullet-resistant and bomb-resistant. ACE security laminates are widely recognized as the best, strongest and most tested window security laminates in the world.

“We are not your typical company and we are in an unconventional business, said ACE CEO Peter Fabian. We need a law firm and legal counsel with the skills and mindset to work with us and to help us protect and grow our business domestically and around the world.

Mintz Levin is widely recognized as one of the leading law firms in the United States. It is considered a Top Tier firm in the areas of commercial litigation and intellectual property protection by the US News & World Report (Best Law Firm Rankings, 2018).

“Given the strength and value of ACE’s intellectual property, the strategic direction of the company and the calibre of clients we deal with, ACE determined Mintz had the breadth, depth and expertise we need, said ACE COO Gabriel Michael Draven.

Advanced Coatings Engineering LLC has been dedicated to protecting people and property worldwide since 1991. ACE security laminates are in use in over 40 countries around the world.
